

PRO SERIES

With a proven track record for high quality innovative products, the Blichmann Engineering approach has now expanded into the Blichmann Pro Series.

Blichmann Engineering Pro Series products are designed for intuitive, efficient, and cost effective use—allowing the brewer to focus on brewing. Our mission with the Blichmann Pro Series is to provide the brewer with a high quality product that performs reliably and predictably for many years. In a word – value. Blichmann Engineering delivers a consistent, high quality product that meets the standards for which we have a reputation of upholding.

How do we do it? We've leveraged our 15+ years of global product sourcing, 40+ years of combined Engineering experience, and over 30+ years of combined brewing knowledge to select a supplier that shares our passion for perfection.

Rest assured that the Blichmann Pro Series is World Class quality and priced at a value that can't be beat. All backed by amazing customer support directly by Blichmann Engineering not only at the time of sale, but for years to come.

FERMENTORS 1-40BBL

The Blichmann Engineering Pro Series Fermentors are built to provide optimal fermentation. We have included many of the necessities such as a pressure gauge, dial thermometer, and CIP arm with spray ball and piping so you can purchase with confidence. They also feature dual zone jackets for complete temperature control. Custom features available upon request. For extra support we've included a five year limited warranty.

NET CAPACITY	OUTSIDE DIAMETER (w/ jacket) (in.)	INSIDE DIAMETER (in.)	HEIGHT (in.)	PRICE
3.5 BBL	36.2	31.5	77.7	\$5268
5 BBL	41.7	35.4	83.2	\$5942
7 BBL	41.7	35.4	101.3	\$6911
10 BBL	49.6	31.5	100.6	\$8331
15 BBL	55.5	49.2	117.1	\$10591
20 BBL	59.4	53.1	131.6	\$12280
30 BBL	73.2	67	159.1	\$15826

BRIGHT TANKS 1-40BBL

The Blichmann Engineering Pro Series Bright Tanks feature an impeccable interior finish and easy install. We have included many of the necessities such as a pressure gauge, dial thermometer, and CIP arm with spray ball and piping so you can purchase with confidence. Jacketed for complete temperature control. For extra support we've included a five year limited warranty.

NET CAPACITY	OUTSIDE DIAMETER (in.)	INSIDE DIAMETER (in.)	HEIGHT (in.)	PRICE
3.5 BBL	36.2	31.5	63.3	\$5419
5 BBL	37.8	31.5	78.1	\$6527
7 BBL	41.7	31.5	83.2	\$6982
10 BBL	47.6	41.3	90.6	\$8253
15 BBL	53.5	47.2	99.9	\$9971
20 BBL	59.4	52.1	100.6	\$11249
30 BBL	71.3	65	104.5	\$12849
